

ROSE GUILD MEMBERSHIP

We're looking for some volunteers!

Rose Service Guild is a non-profit organization whose purpose is to take on projects, which will promote the growth and development of Rose Center.

Rose Center, listed in the National Register of Historic Places, serves the Lakeway region with historic preservation, arts, crafts, and as a community center to further the knowledge of all its citizens.

Meetings are held the second Monday of each month (Sept.-May) in the Rose Center Community Room at noon. We meet at noon to enable working members to attend. There is a short business meeting, followed by a program. We "Brown Bag It" for lunch unless otherwise noted. Drinks and desserts are provided.

A Membership Newsletter is mailed monthly to all Guild members.

A Directory is compiled in October for all Guild members.

Dues for the Guild are \$10.00 per year and are payable on or before the September meeting.

Members are encouraged to participate in at least TWO Guild activities per year. Each member should try and support Rose Center, have a good time, and make friends.

Some Guild Activities and Projects Include:

- * assist with opening receptions for exhibits
- * encourage people to enjoy current exhibits and Rose Center events
- * decorate Rose Center for the holidays, and host Christmas Open House
- * volunteer for Mountain Makins and Preview Night activities
- * help with occasional "spruce-up" activities for the center's buildings and grounds
- * serve on a committee and/or be a committee chairperson
